### *On-site Arrival*

- Designated handicapped parking, including wheelchair accessible parking is located closest to the entrance of the Conference Center as well as the entrance of the Lodge.
- Valet parking is available at the entrance of the Lodge by pulling up to the front doors.

### *Food Allergies*

- All attendees designate their food accommodation during the registration process.
- Meal selections are made with attendee accommodation in mind.
- All attendees seeking food accommodation will have an indicator on their name badge and provided a food accommodation slip to hand to wait staff.
- On-site food accommodation slips will be made available at the Headquarters desk

### *Hearing*

- Individualized Communication access real-time translation (CART) will be made available for attendees to use on their own devices and at their own preferences
- Assistive Listening Devices (ALDs) will be made available on-demand and on-request.
- Personal aides and guides will be accommodated with complimentary registration. Email [info@pawork.org](mailto:info@pawork.org) to prepare for aide attendance.

### *Mobility*

- Attendees using a wheelchair or other mobility device are free to sit at RSVP tables located in the front of the General Session space or, at their choosing, request a server to remove a chair at any table throughout the space to accommodate the wheelchair.
- Wheelchair accessible footprints will be made available in the workshop rooms located in the Confection Hall.

### *Vision*

- Individualized Communication access real-time translation (CART) will be made available for attendees to use on their own devices and at their own preferences
- Assistive Listening Devices (ALDs) will be made available on-demand and on-request.
- Personal aides and guides will be accommodated with complimentary registration. Email [info@pawork.org](mailto:info@pawork.org) to prepare for aide attendance.
